Rationale: Allows the match to continue without interruption until the second referee is notified and can verify the improper server/illegal replacement during the next dead ball.

Identify Captain on Lineup

7-1-2c (NEW): Requires the head coach to indicate the playing captain with a “C” next to the player’s number on the lineup.

Rationale: Aligns language in the Case Book and Officials Manual that requires playing captains to be indicated on the lineup.

Rationale: Establishes that both verbal and non-verbal signals for a time-out are permitted.
