Enter the Libero's number following the L: Enter the jersey number of the Starting Player for each position under SP. When the Libero replaces a player on the court, enter an L in that serving position. When the Libero is replaced, enter the number of the returning player to the right of the L. Be sure the number of the returning player is the same one that the Libero replaced. If a regular sub occurs, slash the player number and enter the new number.
